Conscious Club Band is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience of our website and applying the relevant accessibility standards to provide equal access for all visitors.

Our Commitment

We aim to make our website accessible to the widest possible audience, regardless of technology or ability. We are working towards compliance with the **Web Content Accessibility Guidelines (WCAG) 2.1, Level AA**, which set out best practices for accessible web design.

Measures We Take

To achieve our accessibility goals, we:

- Use a clear, consistent layout and simple language.
- Ensure text has sufficient colour contrast against backgrounds.
- Provide alternative text for images wherever possible.
- Design our site to be navigable by keyboard.
- Strive to make forms and interactive elements accessible.

Areas for Improvement

We recognise that accessibility is an ongoing effort. Some areas of our website may not yet fully meet the highest accessibility standards, but we are committed to making continuous improvements.
